

Dr. Mari Ann Callais Leadership Endowment Fund

The Dr. Mari Ann Callais Leadership Endowment Fund was established in the spring of 2008 and has already received over half of the funding necessary for endowment.

The Leadership Endowment is a special fund of the Theta Phi Alpha Foundation that will be endowed at the \$20,000 principal level and continue to grow as large as the generosity of donors takes it. The interest earned on that principal will be used to directly benefit the Fraternity by funding leadership programs for members of Theta Phi Alpha.

Donations have been made in every imaginable increment — from a \$2 donation at Founders' Day to corporate donations of \$1,000 and more. Every

amount honors Mari Ann, supports leadership programs, and benefits Theta Phi Alpha.

The names of donors to the endowment fund were presented to Mari Ann on a beautiful plaque at the 2008 National Convention. Names of donors will continue to be added.

It's never too late to contribute and it's easy to make a donation.
