From Ritual to Reality

Using music and storytelling, Dr. Mari Ann Callais offers a truly unique program about values, ritual, and the responsibilities of being a lifetime fraternity or sorority member. For nearly a decade, she has built a legion of admirers with her fun, upbeat programs on fraternity and sorority values.

I enjoyed how Mari Ann had an almost instant rapport with the students and staff representatives as well. She's very warm and engaging and I was only disappointed by how quickly the time went!

—Denise Krieger, Senior Membership Manager
Delta Phi Epsilon Sorority, Inc

Fraternity/sorority communities have asked her to campus to discuss the importance of community service and ritual with new members. She is among the most popular retreat facilitators in the country. As the National President for Theta Phi Alpha Fraternity, Mari Ann offers a unique blend of local and national perspective on sorority issues and has helped numerous Panhellenics deal with the issue of sorority hazing.

Simply put, CAMPUSPEAK takes what can be a very taxing, drawn-out process, and makes it effortless. When I work with CAMPUSPEAK, I feel like I am working with a trusted friend.
